

ARTIFICIAL THINGS

(Ah, ah)
(Ooh, ah)

I'm waiting
Wondering
U too
But I know
That U know how
To manipulate the
Situation
U telling Lies
U gaslighting everybody
Inside

Do U want to
Walk in the Fire
I see no Fear
U bathe in the
Fire

Chorus
Why are we burning our whole
world?
Why are we burning In the wars?
Why aren't we burning our love for
Artificial Things?

Why are U burning down the
Rivers?
You're burning All the trees
The Magic is in Me
Not Artificial Things

You're complaining
That the power
U wield
You're never satisfied
Until somebody
Flies
So far alive
And you just keep
Lying

ANJALTS

Ooh ooh
Why U choose
To dance in the fire
Why U bring me down
Always in your Fire

Chorus
Why are we burning Our whole
world?
Why are we burning In the wars?
Why aren't we burning Our love for
Artificial Things?

Why are U burning down
The Rivers (Rivers)?
You're burning
All the trees
The Magic is in Me
Not Artificial Things

Does it Feel?
Does it Love?
(Ah ah ah)

Ooh ooh
Why U choose
To dance in the fire?
Why U bring me down
(I'm) Always in your Fire
(Fire, Fire)

Chorus
Why are we burning
Our whole world? (hey)
Why are we burning
In the wars? (hey)
Why aren't we burning Our
love for
Artificial Things?

(Keep burning)
Why are U burning down
The Rivers?
(Whoa)
You're burning
All the trees
(Ooh ooh ah)
The Magic is in Me
(No,no,no,no)
Not Artificial Things

Why are U burning down
The Rivers?
(Whoa)
You're burning
All the trees
(Ooh, ah)
The Magic is in Me
Not Artificial Things
