

CHASING THE Wind

Do you know
Do you know
Where you're going?
If you don't know
Where you've been

But you wanted the truth
To be your truth
And you didn't want to see
the pain

CHORUS
You're Chasing the Wind
Your life is going in
And you just don't know
Where to go
You're Chasing the Wind
You don't know
where you've been
You don't know
what to do now

I've seen those eyes before
now

It covers the all the pain
We've lost so much in the
rain
We've lost so much of
ourselves
Can we come back again
from the rain

CHORUS
You're Chasing the Wind
Your life is going in
And you just don't know
Where to go

You're Chasing the Wind
You don't know
where you've been
You don't know
what to do now

Ooh ooh ooh ooh
You're Chasing the Wind

Chasing the Wind
Oh no
Going Nowhere

Chasing the Wind
Chasing
Ooh ooh ooh
Who's gonna take the pain?
