

GASLIGHTING ALCHEMIST

ANJALTS

Here comes

A gaslighting alchemist

Changing the world

Changing the girls

Here comes the alchemist

Ah ah ah ah ah

Ah ah ah ah ah

The alchemist has come

The alchemist is here

Gaslighting

Gaslighting

Here comes

A gaslighting alchemist

Freaking the world

Creeping the girls

Here comes the alchemist

Ah ah ah ah ah

Ah ah ah ah ah

The alchemist has come

The alchemist is here

Gaslighting

Gaslighting

Here comes the alchemist

(Rap)

There was another

In the picture

I ain't gonna hit ya

And now

I'm of a single mind

Tell me whatcha gonna do

In your life

It's now

our time is up

And you know

where to go - it's all light

It's all light

It's all light

Here comes the alchemist
