ANJALTS

It's in your cup
What would you do
If it's for love?
What would you do
If there's no-one
To tell you that's
All so wrong?

Time will change
It's ok to react and blame
But then again it's all a game
And I'll never be the same

And I keep spinning
Round and round
And I don't want to
Hit the ground
What can I say to you
Your cup is oh so full

Chorus
Your cup is over flowing
Your cups in Overflow
You're just so all knowing
And I can't get through

Your cup is over flowing
Your cups in Overflow
You're just so all
knowing
And I can't get through

(Music)

And I keep spinning
Round and round
And I don't want to
Hit the ground
What can I say to you
Your cup is oh so full

Chorus
Your cup is over flowing
Your cups in Overflow
You're just so all
knowing
And I can't get through

Your cup is over
flowing
Your cups in Overflow
You're just so all
knowing
And I can't get through
