(There's something
Real inside us)

There's just U & Me
Tonight
I wish

I didn't wanna know
Why I didn't wanna go
And I didn't wanna see
What I already know
And I -And I- And I-And I
(U gotta know) No
(U gotta know)

Chorus
Take Another Look
(Take Another Look)
There's something Real inside us
Take Another Look
(Take Another Look)
There's something Real inside us

I wanna let U in
(I wanna let U in)
There's something Real inside us
but there's nobody in knowing
(nobody in knowing)
There's something Real inside us

(Ah, Ah, Ah)

Complications keep happening
Everybody keeps vomiting
Everybody knows the truth within
Is within
(U got the Truth)
(U got the Truth)
(U gotta know)

There's just U & Me
Tonight
I wish

I didn't wanna know
Why I didn't wanna go
And I didn't wanna see
What I already know
And I -And I- And I-And I
(U gotta know) (Ah)
(U gotta know)

Chorus
Take Another Look
(Take Another Look)
There's something Real inside us
Take Another Look
(Take Another Look)
There's something Real inside us

I wanna let U in
(I wanna let U in)
There's something Real inside us
but there's nobody in knowing
(nobody in knowing)
There's something Real inside us

(Piano break)

Chorus
Take Another Look
(Take Another Look)
There's something Real inside us
Take Another Look
(Take Another Look)
There's something Real inside us

I wanna let U in
(I wanna let U in)
There's something Real inside us
but there's nobody in knowing
(nobody in knowing)
There's something Real inside us

(Ah, Ah, Ah)
