ANJALTS

Timeless
Moments
I've seen
You
so vividly

in my mind
in my heart
i have sealed
You
always
with me

Chorus
Something in Water
doesn't compute
Something in this world
doesn't compute
Something inside of us
is keeping it real
is keeping us real

Breathless
moments
i've Saved
all your tears
here with me

in my heart
is your heart
I feel
You
not here with me

Chorus
Something in Water (ah, ah)
doesn't compute
Something in this world
doesn't compute
Something inside of us
is keeping it real
is keeping us real

Something in Water
doesn't compute
Something in this world
doesn't compute
Something inside of us
is keeping it real
is keeping us real

Something in water
water
Something in water
water
Water

Chorus
Something in Water (ah, ah)
doesn't compute
Something in this world
doesn't compute
Something inside of us
is keeping it real
is keeping us real

Something in Water (ah, ah,
ah)
doesn't compute
Something in this world
doesn't compute
Something inside of us
is keeping it real
is keeping us real

Something in water
Water
Water
