

ANJALTS

HOLDING

U

Empty promises
And broken lies
In the blue we find the truth
If the butterflies left this
place
Now I'm just looking for U

CHORUS

Northern Lights
I'm Holding U
Holding U
Northern Lights
Holding U
Baby so tight

There was never
anybody else
If a blue rose
could be true

The echoes in my heart
goes through the sky
I'm only trying
to reach out to U

CHORUS

Northern Lights
I'm Holding U
Holding U
Northern Lights
Holding U
Baby it's alright

Northern Lights
I'm Holding U (ah ah ah)
Holding U (ah ah ah)
Northern Lights
(Ooh ooh ooh ooh)
