Whoa whoa oh
Whoa whoa oh

Where did I leave you
Standing (standing)
You said I left you
Standing (standing)

But I feel like I don't have to
Be the blame
It's all the same
U only like to control
What you can

But I never
Never let you down

Chorus
(Ahhh)
It's a Modern Life
We're living in the wayside
It's a Modern Times
We're living in the wayside
In this Modern Times
WE're living with Ai
I... I ...I...I

I wonder where
I wonder where
I AM
Where my i
Last human on this planet
(Ahhh)
Last human on this planet
